### **ISSUE FEE - NOTICE FOR PUBLICATIONS OFFICE**

Dear Sir / Madam:

Enclosed is the Issue Fee for the above case, together with completed form Part B - FEE TRANSMITTAL, and credit card payment form PTO-2038.

**PLEASE DO NOT SEND THIS CASE TO THE PUBLICATIONS OFFICE !**

An amendment under 37 CFR 1.312, after Notice of Allowance was mailed yesterday, 24<sup>th</sup> April 2006. For reference, a copy of the first part of that mailing is attached herewith.

A review of this long case - around 25 000 words and 282 diagrams - revealed substantial errors that need correction before publication. In particular, the applicant felt that the drawing were not up the new standards required by the USPTO. The draftsmanship has been substantially improved throughout, in just about all of the 282 Figures, including elimination of crowding by going from 40 sheets to 47 sheets.

Please make sure this case goes back to the examiner, who needs to review these changes before publication.

If any additional fees should be due, please debit my patent office deposit account number 501 334.

Respectfully submitted,

Mitja Victor Hinderks.

Sole inventor, applicant and power-of-attorney of record.
